

IMPORTANT BOOK CLUB INFORMATION

Issue 4, 2019

In each issue, there will be books that do not support our College ethos and values. As parents, we encourage you to read the blurb for each book carefully before choosing to purchase. You may now choose from the entire issue, but books deemed unsuitable will not be read in the classroom.

Please note that cash payments will no longer be accepted. This is due to the work involved in processing these orders.

Please use **LOOP (Linked Online Ordering and Payment)** through the website www.scholastic.com.au/LOOP or you can download the Book Club's LOOP for Parents App

The online ordering for this issue will close at **9am on Friday, 14 June (all year levels)**.

Pre-Prep Families - When using LOOP and entering your child's class, please write Pre-Prep and do not include the letter of your teacher's name, for example Pre-Prep S. Thank you for your assistance.

Years 7 to 12 - When using LOOP and entering your child's class, please write Secondary - Library.

Scholastic Red Book Bags – If you have received a red book bag from ordering through Scholastic and are ordering again, please return it to the office with the student's name clearly marked so that we can use it for distributing the next order.
