

2020 Year 11 Men's Retreat

Dear Parents and Caregivers,

Brisbane Christian College is excited to invite your son to participate in our annual Year 11 Men's Retreat from **Thursday, 5 March to Saturday, 7 March 2020.**

This retreat will provide an opportunity for your son to learn core leadership and life skills that will set him up for his final years at our College. We have a heart to see all of our Senior Students finish strong and united, and we believe that this retreat provides a great environment to realise this goal.

Over the course of the three days, the boys will be involved in leadership sessions presented by a very special guest speaker, Pastor Sunjay Stevensen. Each session is crafted to challenge, inspire and equip your son on his journey. There will also be plenty of down time between sessions for students to use the facilities of the resort.

This school event is not compulsory but ALL boys in Year 11 are considered as ATTENDING unless they opt out. If we do not receive notification that your son WILL NOT be attending, we will consider that they are and the cost will be attributed to their fees in 2020, which will cover all transportation, meals, accommodation and activities.

If you need clarification or have any questions regarding this worthwhile initiative, please feel free to contact myself or Mr James Earle on 3719 3111 or send an email to the one of the email addresses below.

Yours sincerely,

Pastor Saskia Hill
College Pastor
